Dear Parents of 6-8 graders

As you know the CCSD Board of Trustees voted on January 26, 2009 to approve the School Redesign Plan which included moving the 7th and 8th grades to Baptist Hill. It is our hope that the transition from this school year to next school year will be smooth. We want all children to feel confident and comfortable as the '09-'10 school year begins. To do so we need your help. To be sure all students have a place set up for them we ask that you return this note tomorrow letting us know your intentions at this time or your child. Please check the item that best outlines your intentions.

_____ My child will be going to Baptist Hill

_____ My child will be attending another school. Please specify which school. _____

_____ Please call me. I have some questions.
