To All Parents of McClellanville Middle School Students:

Good afternoon. As part of the school redesign process, the Charleston County School District is making every effort to ensure you are aware of all options available to your students for the 2009-10 school year. As you know, Lincoln High School is now the "home school" for all McClellanville students who will be in the 7th, 8th, or 9th grades next year.

Additionally, students who will be 7th or 8th graders may apply to the **Military Magnet Academy, School of the Arts, or Buist Academy**. Students who will be 9th graders may apply to the **Military Magnet Academy, School of the Arts, Burke High School's Advanced Placement Academy (Burke AP), or Garrett Academy of Technology**.

In order for you and your student to receive correct information for the 2009-10 school year, we need to know your plans regarding school attendance. Please take a moment to complete the back of this page and return this form to McClellanville no later than Friday, March 13.

Thank you for your assistance as we attempt to make this transition as smooth as possible for you and your student.

Sincerely,

Patricia B. Yandle
Associate Superintendent
