CHARLESTON— On Monday, March 8th, 2009 West Ashley Middle School welcomed Katie Freer from Water Missions International.

After a week of fundraising and events like "Hats for Haiti," and "Hip Hop for Haiti," West Ashley Middle School was able to give Water Missions International a check for \$1700. Donations came in from students, staff and parents alike.

Ms. Freer was able to share with a group of students about the work of Water Missions International and show them how their donation will provide clean water to the people of Haiti.

For more information regarding this event, please contact Principal Jennifer Coker or Assistant Administrator Edward Crosby at 763-1546.
