On March 11, students celebrated the arts for the entire morning. Every student went to three events during the day. The Adonde dance and drumming group had students up dancing and keeping a beat. Storyteller, Minerva King enthralled students with her African tales and songs. Rob Maniscalco, a local portrait artist taught the students how to draw a portrait. Even the youngest children were able to produce some fantastic results. Danielle Zorn of the Gibbs Art Gallery worked with students on the printing process. At the end of the event, the entire school gathered to hear our own wonderful choir and Dynamic Dolphin Drummers perform. The day was very special to the students and will long be remembered.
