Question #1: How many dispatchers will be dispatching using CAD per shift?

Answer: We do not anticipate more than three (3) concurrent users dispatching at the same time; however, we foresee the possibility of up to ten users accessing CAD for view-only purposes. Six mobile users will also access the system on a concurrent basis.

Question #2: How many dispatchers total will need to be trained?

Answer: All ten members of the OS&EM team will need to be trained.
