This amendment was issued to answer questions received.

After reviewing the RFP The understanding is your looking for only pricing? Please refer to pages 23-28. There are other requirements in addition to pricing.

Will there be an official count for AP's in all the school? Use count for the sample schools to facilitate comparison. Pricing will extend to all sites regardless of actual counts.

Areas That needs cabling is the awarded vendor responsible? If not will this effect the awarded time line if waiting to complete? No. AP installation is separate project from cabling so there is no fixed time line impacting bid.

What's the time table for notification of what schools need upgrading? District will identify sites for scheduling as funding and all other factors permitting.

Will any other Manufacture be excepted? Vendors may propose equivalent devices. Evaluation will determine suitability to the established environment.
