

Partnering with your Charleston County Student for Success using Family Connection

What is Family Connection?

Charleston County School District partners with Naviance to provide a variety of tools for student success throughout middle and high school through academic, career and college planning. These tools are located in Family Connection, a website for students and families to access online resources, communicate with school staff and work with your student on college and career readiness activities.

What can your student do in Family Connection?

Students can research colleges, scholarships, careers, enrichment programs and take personality and career assessments in one location. They can also create individual plans that can be linked to college and career readiness and communicate easily with teachers and counselors.

- View updates and links from the school
- Read and send e-mail messages to school staff

Home Page
