Brant E. Glover Named Interim Principal of West Ashley Advanced Studies Magnet

Charleston, SC — Charleston County School District (CCSD) is proud to announce and welcome Brant E. Glover as Interim Principal of West Ashley Advanced Studies Magnet (WA-ASM). Glover comes to CCSD from Lexington, SC, where he has served as Assistant Principal at River Bluff High School since 2013.

Glover started off his career as a middle school social studies educator. His first position was with Gainesville Alternative Learning Community in Gainesville, GA, where he focused on integrating social studies units with real world issues, while placing an emphasis on behavioral and emotional intelligence. He brought his skills and methods with him when he moved on to teach at Gainesville Middle one year later. In 2013, Glover relocated from Georgia to South Carolina to serve as Assistant Principal at River Bluff High School. During his time at River Bluff, Glover coached teachers, students, and parents with the school instructional model of expeditionary learning, which makes learning active, challenging, meaningful, and public. Furthermore, he assisted with the implementation of a flex mod schedule at the school, which allowed students to make decisions with independent learning time during school hours.

Glover has extensive experience as a one-to-one mobile school leader; employing conflict resolution with students, parents, and teachers; administering formative and summative assessments; interviewing and hiring personnel; conducting teacher evaluations and utilizing SAFE-T and ADEPT; and implementing structured learning time.

Glover holds a Bachelor of Arts in Business Administration from Furman University, a Master of Arts in Middle Grades Education from Brenau University, and an Educational Specialist degree in Educational Administration and Policy from the University of Georgia.

About the Charleston County School District

Charleston County School District (CCSD) is the second largest school system in South Carolina representing a unique blend of urban, suburban, and rural schools that span 1,000 square miles along the coast. CCSD serves more than 50,000 students in 86 schools and several specialized programs. With approximately 6,100 employees district-wide, CCSD is the fourth largest employer in the region.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, charter, magnet, IB (international baccalaureate), and Montessori schools, and is divided into three Learning Communities led by associate superintendents. Options include specialized programs in science, engineering and mathematics; liberal arts; music and other creative and performing arts; career and technical preparation programs; and military and other public service enterprises.
