

CCSD GRADUATION PARKING: Due to current construction of a parking deck at the NC Coliseum property, there will ONLY be a maximum of 1700 parking passes at any given time for ALL of the PAC and the Coliseum parking areas.

If your family or friends do not have a ticket for the North Charleston Coliseum or PAC parking lot, and cannot find a place to park near the Coliseum or PAC, Charleston County School District is providing a space for overflow parking. It is located near the corner of Montague Avenue and Dorchester Road; the entrance to the lot will be off of Montague, across the street from Thrifty Car Rental.

Signs directing traffic to the site will be located along International Boulevard and Montague Avenue. Volunteer attendants will be on site to direct parking, and multiple shuttles will run on a regular basis (about every 15 minutes) to transport those who park there to the Coliseum or PAC, and back to the parking lot when the graduation ceremony is over. This lot and shuttles will be set up to start at least one hour before each graduation ceremony that would require overflow parking. The shuttles will continue for one hour after each ceremony is complete that would require overflow parking.
