IV. Visitors/Public Comments:

Nick Ireland - West Ashley Resident/Father of two in CCSD - Good evening. I think it's safe to say that we're all over the Covid-19 protocols and the ridiculous masking of our children in Charleston county public schools. It's evident that Omicron is much weaker than the Delta variant and that we need to begin to accept the fact that it will not be eradicated from society. What is most important now is to get back to normal and to give our kids their childhood back by removing face coverings immediately. Having said that, when can we expect a vote by CCSD to overturn this protocol? March 14th is six weeks away and that's far too long to wait for a decision that can be made at your next meeting. It's time let our kids get back to normal. If our kids can literally go anywhere else in town (grocery store, gym, church, restaurants etc.) than there is no reason that they shouldn't be able to go to school without a mask on. Thank you for your time.

Daron Calhoun moved, seconded by Janie Daniels, to move into Executive Session. The motion passed 5-0.
