

Password Reset

Student Chromebook

All students passwords were reset on August 23, 2020

Student usernames have the same format across the district:

First 3 letters of last name first 3 letters of first name last 4 numbers of student ID
Ex: Janelle Smith 9835674 = smijan5674

Student email addresses have the same format across the district:

Username@ccsdschools.com
Ex: smijan5674@ccsdschools.com

Grade
K-4

Log into device using student username and district password

Username: lasfir1234
Password: 123456

Grade
5-12

Log into device using current student username and password.

Go to MyPortal link (just under search bar in browser) or go to <https://myportal.charleston.k12.sc.us/> and login with username as both the username and password. When prompted for the "Old" password, enter your username:

Username: lasfir1234
Password: lasfir1234

Students will be forced to choose another password: New passwords must be 8 characters long

Clever Directions

Student Chromebook

Clever is a single sign on portal that connects students to their different resources and content all in one area with just one login.

In browser, the MyPortal link will be just under the search bar or go to <https://myportal.charleston.k12.sc.us/>

Students will log in with the same credential they use at school:

Username: first 3 letters of last name first 3 letters of first name last 4 numbers of student ID

Password: determined by school or student. Contact the Help Desk at 843-849-3400 for password assistance

Click on the Clever icon in MyPortal

Choose Log in with MyPortal

Click on the icon for any of the digital resources students want to use. Students are already logged into

Charleston County School District

[Not your district?](#)

most of the programs listed. They can switch from one program to another within Clever.

Canvas Directions

Student Chromebook

Canvas is a learning management system designed to support teaching & learning. Students can access course materials, collaborate with their teachers and classmates, as well as submit assignments, and receive feedback. Additional support available at bit.ly/csupportps

Student Login

Students will log in to the Chromebook and Canvas using their CCSD Google Account.

1. **Log into the Chromebook**
2. **Open the Chrome Browser**
3. **Go to** ccsdschools.instructure.com

Student Username/email

Student Email: _____@ccsdschools.com

Student Password: _____

Parent Login

Parents can create an observer account and view student progress.

To create an account:

1. Go to https://canvas.instructure.com/register_from_website
2. Click **Parents sign up here**

You will enter a pairing code for your child.

Pairing code _____

You only need to create one account, you can add multiple codes for multiple children.
