Community Feedback

What do you see as current building needs in your Constituent District?

- Renovations to existing facilities
- Rebuild older buildings

What ideas or building needs do you see for the future (5 to 10 years) in your Constituent District?

- Future schools to coincide with growth
- Additions/expansions to current schools

What suggestions do you have for program needs in your Constituent District that might require additional building space?

- Specialty programs
- Combining schools

Any other thoughts or ideas for this Constituent District as we plan for the future?

- Share your ideas to help shape the District

How to Provide Community Feedback

1. Visiting our online survey at the Capital website
[Phase V Feedback Survey](#)
2. Paper surveys are available at any D23 school. Please return surveys by Oct 28
3. Email your feedback to our general email address
