**Charleston, SC** – Charleston County School District's (CCSD) Office of Nutrition Services will continue to offer meals at eight locations for the rest of the summer break. These eight sites will offer meals, available for pick up, starting Monday, August 10, 2020 through September 4, 2020 every Monday, Wednesday, and Friday between the hours of 11:00 a.m. and 12:30 p.m.

Two breakfast meals and two lunch meals will be provided on Mondays and Wednesdays, while three breakfasts and three lunches will be available on Fridays (enough to last through the weekend).

The following schools will offer this service:

C.E. Williams Middle School – South (formerly West Ashley Middle School)  
Chicora Elementary School  
Harbor View Elementary School  
Haut Gap Middle School  
Laing Middle School  
R.B Stall High School  
Sanders-Clyde Elementary School  
W.B. Goodwin Elementary School

"We are grateful that we have been able to serve our community meals for the past five months during the COVID-19 pandemic," said Kerrie Hollifield, Registered Dietitian for CCSD Nutrition Services. "As summer is coming to an end, we will continue serving our community by providing meals at eight select locations. This will fill a need within our community while allowing us to train and prepare our staff for the upcoming school year opening."

**About the Charleston County School District**

Charleston County School District (CCSD) is a nationally-accredited school district that is committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves more than 50,000 students in 87 schools and specialized programs.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools. Options include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military.
