

#FlattenTheCurveSC

Charleston County School District, in partnership with MUSC, is launching #FlattenTheCurveSC — a campaign focused on slowing the spread of coronavirus (COVID-19) and protecting the max capacity of the healthcare system so everyone who needs care, can get it.

Proactive Measures

- Practice social distancing
- Wash hands frequently and use hand sanitizer on-the-go
- Limit travel and visiting high-traffic spaces (i.e. playgrounds)
- Keep gatherings <10 people
- Clean and disinfect high-touch surfaces often

"We can only minimize the impact of this virus if we pay attention to the advice and guidance of the experts. While we all adjust our lives, our staff and community partners are working tirelessly to help ensure no child goes without food and instruction continues for all students."

Gerrita Postlewait
CCSD Superintendent

We are all in this together.
