## **Military Magnet brings home first state title in basketball**

**North Charleston, SC** – The Military Magnet Academy (MMA) girls' basketball team just missed out on the state championship last year, falling in the finals. This year, the Eagles would not be denied; they captured the South Carolina High School League Class A crown with a 54-49 victory over Southside Christian on Saturday, March 6, 2021, in Aiken, SC.

Sophomore guards Chazmin Bradley and Kaelin Davis combined for 12 points in the fourth quarter for Military Magnet, and Bradley hit two free throws with six seconds left to seal the championship.

Three players scored in double figures for the Eagles (10-3): Bradley (18 points), Rykia Jakes (12 points), and Davis (10 points).

"Our big three [Bradley, Davis, and Jakes] performed great," said MMA head coach Danny Taylor. "However, it is important to point out Jataya Brown, who stands 5-foot-3, was assigned to defend some of the best talent in the state. She guarded a six-foot All-in the first round, a 5-foot-9 all-state player in the second round, an all-state point guard in the Lower State finals, and a player committed to Georgia Southern in the championship game. Brown came up big time for us on defense in the last four games."

The Eagles won every single playoff game on the road this year.

This is the MMA's first state championship in girls' basketball, the school's first-ever state championship in a girls' sport, and the second team state title overall in school history.

**About the Charleston County School District**

Charleston County School District (CCSD) is a nationally-accredited school district that is committed to providing equitable and quality educational opportunities for all of its students. CCSD is the second-largest school system in South Carolina and represents a unique blend of urban, suburban, and rural schools spanning 1,300 square miles along the coast. CCSD serves more than 50,000 students in 87 schools and specialized programs.

CCSD offers a diverse, expanding portfolio of options and specialized programs, delivered through neighborhood, magnet, IB (international baccalaureate), Montessori, and charter schools. Options include programs in science, technology, engineering, and mathematics (STEM); music and other creative and performing arts; career and technical preparation programs; and military.
