

Our Vision

At A.C. Corcoran Elementary School, we believe we should always be responsible for our actions, treat others with respect and dignity, and strive daily to be the best that we can be!

Greetings from the SIC Chair

I would like to take this opportunity to thank you for allowing me to serve as your School Improvement Council (SIC) Chairperson. The SIC has worked closely with our administration this year to continue to improve the education of the students at A.C. Corcoran Elementary School. We have continued the following Mathematics and Reading programs to boost our students scores on the state test and Measure of Academic Progress (MAP): Achieve 3000, Smarty Ants, Lexia, Dreambox, Reflex and ALEKS. Students enjoy learning using these programs, and they can be used at home. Please ask your child about the education programs he/she uses at school. We have collected, and carefully considered data from parents, students, teachers, and test results to identify areas in need of further improvement. The areas addressed this year include:

- Improving communication between the school, parents and the community
- Improving MAP scores
- Improving SC Ready Test scores
- Building a stronger character education program using Second Steps

The SIC has made significant progress in these areas and looks forward to, with your help, identifying new goals for the upcoming school year.

Amy Williams, SIC Chairperson

School Improvement Council

Members

2019-2020

Positive Behavior Intervention School

Our school focuses on the development of positive attitudes for learning, for the environment and for each other. Our motto is:

P Being prepared

A Acting responsibly

W Working to do your best

S Showing respect

Second Steps

The elementary years bring exciting new challenges and opportunities. It's the ideal time to nurture social-emotional competence and develop foundational learning skills. Using the evidence-based *Second Step* curriculum has been shown to **decrease problem behaviors**, and it's designed to promote school success, self-regulation, and a sense of safety and support.

"Kindness is the New Cool"
