

STUDENT TRANSFERS

Code **JFABC** Issued **2/15**

Purpose: To establish criteria for student transfers within Charleston County School District.

Students are entitled to attend school in the school zone applicable to their residence, as established by the constituent school boards; however, when parents/legal guardians desire for their children to attend a different school than the one to which they are assigned, they may request a transfer to any other Charleston County school in which space is available.

Note: Space availability is calculated by comparing projected enrollment of the school to the district's annual assessment of the school's capacity.

If a situation arises in which a school has reached capacity, the district will use an enrollment lottery to create a waiting list from which seat(s) will be offered as they become available.

Deadlines

All transfer requests for the following school year must be submitted to the receiving constituent board no later than the last working day of March. Transfer requests received after the deadline, if approved, will result in the student's name being added to the end of the list in the order in which it is received if such waiting list exists; otherwise, they will be granted the right to enroll.

Valid, non-discriminatory reasons to transfer include, but are not limited to, the following.

- to attend a career and technology program in another school or constituent district
- to attend a school that offers programs not offered at the home school
- documented health reasons
- for **hardship other reasons**, such as to attend a school
 - closer to where a parent/legal guardian works
 - with one or more siblings
 - to better accommodate before or after school care needs (e.g., extended work hours or work related to travel that necessitates before or after school care of the child)
 - the child previously attended
 - in instances where the parents/legal guardians are planning to move to another district during the school year, so as to allow the student to attend that school from the beginning of the year
- for reasons that advise removing a student from the influence or presence of other students

This policy does not pertain to magnet, partial magnet, or charter schools.

This policy does not govern requests for school placement by virtue of a voluntary transfer for students of CCSD employees. Policy JFABCA governs for that purpose.

PAGE 2 - JFABC - STUDENT TRANSFERS

If a person establishes a new residence in Charleston County and the school to which the new residence is assigned is fifteen or more road miles away from the new residence, then a parent may apply for a transfer to a closer constituent district (the receiving district) and that district must accept a child residing in the newly established residence. The receiving district shall assign the student to a school that has available seats.

Appeals

Requests denied by the constituent board may be appealed to the county board or its designee(s). The appeal process can be found by clicking on the link below or by selecting “Voluntary Transfer” on the district home page (ccsdschools.com).

Placement subject to change

The placement of any student, whether by attendance area, transfer or other process, is subject to change by operation of law, change in policy, altered attendance lines or other Charleston County School District Board of Trustees action.
