Laura	Dougherty	\$5K Teacher Bonus	The Board has made a bold step in showing CCSD teachers that their time and talents are worthy of a pay increase. It's again time for the Board to show our teachers how vital they are to our community with the additional \$5K bonus. Teachers in CCSD have been shortchanged for years, watching stagnant salaries and rising cost of living, and the \$5K approved last meeting is a great step in the right direction. At this time, when teachers are leaving the profession in droves, it's time to show teachers in CCSD what they are truly worth to our community. Bringing the starting salary to \$50,000 will make the job opportunities in CCSD competitive with neighboring states and closer to the national average. Our children deserve the best teachers around and competitive salaries make that reality a possibility. Do the right thing and vote for the \$5K bonus for all teachers.
Dianne	Dobbs	5k bonus	It's about time you recognized ALL teachers and increased everyone's pay. If this is taxed at the bonus rate, and divided over 12 months, it's not really much every month.
Nycole	Huger	Bonus for Teachers	Please provide a bonus of 5,000 AFTER taxes for teachers
