

Spanish 2 Summer Work

Freshmen, please be prepared to practice your summer work during Summer Scholars if you plan to attend

You must be prepared to present the following information about yourself the day you return to school. You must use complete sentences in Spanish. This will be your Q1 Project grade

You also need to bring a collage (without words) that you can use to help yourself speak. You need to be prepared to present and show your pictures on the first day of class. Please note the following:

- Your visual aid should be an 8.5"x11" paper
- You may draw or print pictures or create a collage

Your grade will be determined by how well you are able to express yourself in Spanish to tell us the following things:
