

TCC WOMEN'S CENTER

STEM PROMISE PROGRAM

PREPARE FOR A CAREER IN STEM WHILE PAYING \$0 IN TUITION & FEES

Want to take advantage of opportunities in fields like engineering, computer science, and information technology? At Tidewater Community College, you can! The TCC Women's Center STEM Promise Scholarship Program pays tuition and fees for two full academic years at TCC. Recipients earn degrees that will take them into a career or to a four-year college to complete a bachelor's degree. The program will award 20 scholarships for the 2020-21 academic year.

WHAT DOES THE SCHOLARSHIP PROVIDE?

Scholarships pay the full cost of tuition and fees for up to 2 academic years.* You will graduate from TCC with NO STUDENT DEBT from tuition, ready for a career or to transfer to a 4-year school! Students will also participate in Women's Center programming that supports and enhances pursuit of STEM careers.

**Students with unmet need may qualify for grants to pay for textbooks, supplies and other expenses.*

ARE YOU ELIGIBLE?

- You must have a high school GPA of 3.5 or higher (or equivalent GED scores).
- You must be eligible for in-state tuition.
- You must place into College Composition (English 111) and Precalculus I (Math 161).
- You must have no more than 24 TCC credits.
- You must apply to TCC and plan to enroll as a full-time student in one of the eligible programs, including engineering, computer science, or information technology. See the full list of requirements at tcc.edu/STEMpromise

APPLICATIONS ACCEPTED

November 1, 2019 - March 1, 2020.
