

Hursey Montessori Cell Phone Policy 19-20

*Students are not permitted to use cell phones on campus during the school day. Phones should be in their backpacks, cubbies, or lockers, turned off so they do not disturb the class and students are not checking them during school instructional time.

*A teacher may incorporate phones into his or her lesson. In this case, students can only use their devices in class to participate in the lesson, not for any other reason.

*The use of personal devices on field trips will be at the discretion of the homeroom teacher.

*Unauthorized use of cell phones may lead to the confiscation of the phone. Parents/guardians may pick up the phone directly from the HMS administration. If you need to leave a message for your child during the school day, call the HMS office at (843) 745-7105 and speak with one of the front office staff.

*Students in grades 1-8 will have access to either a Chromebook or iPad. Personal devices such as Kindles, tablets, etc, are not permitted at school

*The school **is not** responsible for lost, stolen or broken phones.
