Principal's Message:

Happy New Year!

We will start back to school tomorrow, as normal. You will be receiving a short survey from me through email tomorrow to capture any CHANGES you might want to your child's current school attendance mode: virtual (online) vs in person.

If you are happy with your child's current mode of learning, you do NOT need to complete the survey. Information collected in this survey would impact Quarter 3, which starts February 8.

We look forward to getting back into the rhythm of regular school and welcoming our students back from Winter Break. I encourage you to contact your child's teachers with any questions related to assignments, grades, or attendance. I will be happy to help facilitate any needed communication if you are not receiving a timely reply.

Have a wonderful week,
Sharon E. Randall
Principal

8th-grade PSAT/NMSQT Score Reports

It is about this time of year that the College Board usually sends the hard copy score reports to us at school and we send them home with the students. We received an email recently informing us that due to the numerous school closures across the country, they are delaying the distribution of the score reports until further notice. However, you can access your child's score report on the College Board website. You will have to create an account, if you have not done so already. If it asks you for an access code, please contact Mrs. Engle at paula_engle@charleston.k12.sc.us

Technology Troubleshooting for Virtual Students/At-home Problems

Families, please use the CCSD family IT Helpline as your first stop should your students have technology problems, such as Chromebook or Zoom issues, **at home**. Use this phone number to seek help instead of asking one of your child's teachers about technology issues: **843-849-3400**

Parents Invited to Preview Heritage Keepers Reproductive Health Materials

Parents may come in to preview the Heritage Keepers Reproductive Health materials students and instructors will be using Jan. 5-15 for all PE students. The student and instructor versions of the workbook are in the front office, where parents may preview them. There is only one copy of each, so parents may not take the materials home.
