

# MOULTRIE MIDDLE SCHOOL SIC REPORT TO THE COMMUNITY

2021-2022

## Vision Statement

*Moultrie recognizes the unique needs of the middle school student. Through academics, arts, and athletics, we will develop and nurture individuals, empowering them to think creatively and critically to meet the challenges of a changing world.*

- Lacrosse

## 2020-21 SC Ready Scores

Even through the pandemic, our state scores were able to maintain consistent growth and were able to match scores we saw before the pandemic.

## SIC Message to Community

As the 21-22 school year draws to a close, we want to share how incredibly proud we are of our students, parents, and community. Our Patriots continued to shine through the 21-22 school year. Even through the pandemic we have been able to engage the community in new and exciting ways. We held our first movie night and invited local food trucks and showed the Sandlot. We were also able to bring back field trips and school dances. Academically, we also were able to add Geometry and amazing new PLTW courses to our exploratory classes to increase our students' love of Math and engineering.

Our Patriots continued to still excel outside of the classroom as well. We were able to add many new student clubs and continue our partnership with MPRD with offering high quality athletics. Junior Beta Club and Student Government were able to create multiple philanthropic opportunities to give back to the community and our Women in Charge group continued to challenge our Patriots to explore math, science, and engineering careers while demonstrating and learning about leadership.

We are extremely proud of all that we were able to accomplish in the 21-22 school year. We look forward to building upon this success and continuing to add experience and opportunities to see our Patriots shine and become college and career ready students and truly exemplify the profile of a South Carolina graduate

Chas Coker-Principal  
Dana Edwards-SIC Chair

## Community Outreach

- Student Mentoring across all three grade levels
- Support letters to U.S. Troops
- Various supply drives benefitting local charities
- Bioswale & school grounds gardening
- Angel tree to support local families
- Down Syndrome Buddy Day fundraiser
- Cultural Competency Committee
- Make a Wish Donations
