

Scholarship Opportunity

from Reading Partners South Carolina

We are awarding a \$1,000 scholarship to a Reading Partners alum about to graduate from high school.

Reading Partners is a national non-profit organization that began in Charleston as Book Buddies in 2013. Our dedicated tutors offer one-on-one literacy intervention to K-5 students in Charleston and Berkeley Counties.

Please contact dawn.kahley@readingpartners.org if you or someone you know participated in the Reading Partners program as a child.
