*Proud Patriots Celebrate!  
Student Engagement Survey  
Scheduled for Friday*  
Third quarter progress reports went home with Patriots Wednesday. Please connect with a teacher or guidance counselor if you have concerns about your student's progress. We've asked Patriots to take responsibility for their learning by meeting with teachers when they're missing assignments; after-school tutoring is also available for no charge on

Tuesdays and Thursdays.

It was a week of celebration for students who've demonstrated the three Bes (Be Orderly, Be Respectful, Be Diligent) the first half of the third quarter. Morning free time was planned Tuesday-Thursday for those with no office-managed referrals. For the second half of the third quarter, students are challenged to have no office or teacher-managed referrals.

On Friday, students will take the Student Engagement Survey, which counts for 10% of Moultrie's 2020 Report Card rating. This is a very important process; please encourage your Patriot to take the survey seriously. As always, thanks for your on-going support of our work! Enjoy the weekend, Anita
