

Summer Reading for Rising English 1 (9th Grade) Students 22-23

Students are asked to read at least one of the following books (one which they have not read before) prior to the first day of school. Each image is linked to a Barnes and Noble page, but the student may check it out from the public library. The students will work in groups during the first weeks of school to discuss their books, and they will write a short essay on a theme in their book for which they will be graded. Parents are asked to be part of the choice process. If you would like to read reviews, please check [here](#). If you have any questions, please contact Patrick Martin patrick_martin@charleston.k12.sc.us
