

All French students:

Students need to make sure they have a 3 ring binder with plenty of paper for the entire year. We don't use a book! Also, you might need to put handouts in a small folder.

Pencils, dark blue pens and black pens are used for writing and these are the only 3 colors the teacher will accept when you turn in your work.

From time to time, we will use our charged chromebooks/cell phones in class.

If you can bring in, it would be greatly appreciated, any 1 item of the following list for our classroom:

A bag of candy for our Friday treats (no nuts, please and this would be awesome!)

A roll of paper towels
