### Visual Art—Virtual Audition

Dear Parents,

We look forward to receiving your child's submissions to audition for the Visual Arts Program at Charleston County School of the Arts. Here is how you can help your child prepare for and complete the Zoom session/audition:

### Prior to the Zoom Session

1. Students need to prepare a portfolio consisting of three works of art created within the past year with at least one created outside of school.
  - These three pieces must include a portrait, still life and landscape. TWO of these MUST be drawn from real life.
  - Artworks must represent at least two art mediums. Mediums include, but not limited to: pencil, pen & ink, acrylic, oil, water color, pastel, charcoal sculpture or ceramic.
  - Cartoons and anime will not be accepted and scored.
2. Write your child's first name only, grade applying for and School Choice ID#, the dimensions in inches of the piece on a post-it note or small piece of paper, place next to each art piece and photograph each piece of artwork separately.
3. For the Zoom Session your child will need pencils, a sharpener, paper (8x10 or 9x12), eraser and access to Zoom.
4. Be prepared to take a photo of the piece created during the Zoom Session drawing test to digitally upload within 30 minutes of the conclusion of the test.

### For the Zoom Session/Drawing Test

1. Students will log into the Zoom Session with the link provided. Instructions will be provided, and then students will have 30 minutes to draw. No editing is permitted after the drawing test has ended.
2. After the timed drawing portion has ended, students will have 30 minutes to upload the three portfolio images and the timed drawing test into the linked Google Form. Dimensions of the portfolio pieces will need to be entered in the Google Form when the three portfolio images are uploaded. To complete the audition, students will have submitted four works of art: three portfolio pieces and one Zoom session/drawing test.
