MISSION

.....

Our mission is to transform the lives of young children and their families so that they can build a brighter and stronger future for themselves and their communities. We serve alongside local organizations to advocate for and with families to develop little scholars that have solid academic, social, and emotional foundations.

VISION

.....

We will educate, nurture and advocate on behalf of students to bring access and equity to early learning. Our students and families will be empowered with knowledge, skill, and self-confidence essential to pursuing their goals and dreams throughout their lives. We will do this by respecting the ways in which children grow and develop.
