

Julian Mitchell Elementary School Update

- Mitchell is a three story 60,000 square foot facility last renovated in 1990
- Located at 2 Perry Street in downtown Charleston
- The school has an operating capacity of 568 students and current enrollment is 329 students

Facilities Update

- During the 2020 -2021 academic school year, Mitchell Elementary is scheduled to undergo a renovation to include:
 - the installation of a security vestibule
 - fresh air heating and cooling system
 - roof replacement
 - elevator replacement
 - ADA compliant restroom upgrades
 - new hallway lighting
 - classroom door replacement
 - new classroom furniture
- The renovation requires the building to be vacant during the academic school year
- All renovations will be completed in one year to begin in the fall of 2020 and be completed by the summer of 2021

Temporary learning site

- Mitchell's temporary school will be located on James Island located 5.6 miles from Mitchell's current campus
- Two sets of playground equipment will be installed

Transportation from Mitchell to James Island

- Buses will be provided for students age 4 and up and additional buses will be considered if needed
- All transportation ridership standards regarding student pick up and drop off will remain unchanged
- Shuttle services for parents ONLY attending PTA, Interactive Literacy, Make it/Take it workshops and other school events will be provided
