

August 4, 2022

Dear Parent/Guardian,

I hope you and your family are having a wonderful and exciting summer! As our summer ends, I hope you have taken time to relax, refocus and reflect. I would like to take this opportunity to welcome you and your child/children to a new 2022-2023 academic school year.

My name is Quintella Middleton, and I am the new Principal of Daniel Jenkins Academy. I have worked for Charleston County School District for the past 22 years, with my last seven years as an Assistant Principal here at Daniel Jenkins Academy. I look forward to working with students, parents/guardians, and the community to ensure each student receives a high-quality education and skills to support students as life-long learners as they complete their educational journey.

Our faculty, staff, and administrative team have prioritized educating your child/children in an environment conducive for students to excel. We are responsible for meeting children where they are and equipping them with strategies and support to be academically, socially, and emotionally prepared and college and career ready when they return to their home school and graduate from high school!

As part of the 2022-2023 school year process, Daniel Jenkins Academy parents/guardians must register students online at their homeschool. The first day of school is August 17, 2022 at 8:00am. Mr. Alvin Lumpkin, our Transition Specialists will contact you to schedule orientation dates and times. Please prepare to be with us for two hours as we cover all necessary information for students and parents/guardians.

Finally, parents/guardians, we encourage and invite you to actively participate in our school community by volunteering and attending school events. Education is a partnership between schools, students, parents/guardians, and the community. All children become successful when we work as a team to achieve educational goals.

Thank you for partnering with us at Daniel Jenkins Academy to support your child/children's educational needs.

If you have any questions or concerns, please feel free to reach out to me by email:
