

2022-2023 Springfield Elementary School Supply List K-5

22-23 School Supply Order: Our online school supply store is now available **until June 30, 2022**. What's great about this option is that all needed school supplies will be delivered to the school prior to the year starting. Each order will be in an individual box, with your child's name on it, and it will be waiting in the classroom on Meet the Teacher Night! Headphones are not in the kits, but are an optional item selection to add to your student's box. The below supply lists are for you should you wish to purchase everything yourself. Either way is fine but we have found many of our families like the convenience of the online ordering option.
