

ABOUT BECKHAM

Nestled in the heart of Mt. Pleasant, Lucy Garrett Beckham High School will accommodate 1,500 students in a 242,000 sqft building on 44.1 acres. Beckham will be a comprehensive 9-12 grade high school focused on teaching in a 21st century learning environment:

- A modern advisory that focuses on relationships and building student independence
- Virtual and blended learning environments for students
- One to one technology (student issued Chromebook)
- Modified block schedule with Independent Learning Time (ILT) and One Lunch
- Joint emphasis on character and academics
- Strong community partnerships and work based learning opportunities

Spaces in the new school include two gymnasiums, performing arts center, student commons, collaborative learning areas, classrooms, science labs and specialty spaces for CTE programs. The facility will also house a state of the art media center with a makerspace.

STUDENT LIFE

Clubs & Activities

The first group of students will get to shape the clubs & activities offered. We will work with the student body to offer unique experiences that will give every student a sense of belonging at LBHS.

Making Time Work for Students

50 minute lunch period (One Lunch):

This will allow for academic support, clubs, physical activity, and time to be with friends.

Individualized Learning Time (ILT):

41 minute period each day for academic help, independent work, study groups and life balance

CREW:

Students are part of a family that redefines what it means to be a learning community that truly supports and challenges one another.

During CREW students will work on building relationships, strengthening literacy, providing service, preparing for college and post-secondary careers, and exploring fitness opportunities.
