We are asking for a \$20 donation for Practical life materials. Practical life materials include but are not limited to: rice, a variety of beans and seeds for pouring and spooning; Utensils-a variety of spoons, tongs, pitchers and bowls; Seasonal silk flowers for flower arranging and vases; String, yarn, twine and shoe laces for early sewing and weaving. Kitchen, baking and food prep items. We are eating in the classroom so we would like to have tablecloths and/or cloth placemats and lastly laundry detergent. If there are any funds left over they will be used to build our classroom libraries, make classroom materials for other areas of study and art supplies.

Thank you for your support.
