Focus / Description

Charleston County School of the Arts (SOA) offers students rich and intensive instruction in eight art majors in middle school and nine art majors in high school. Students may apply and audition for two areas. Once accepted into a major, students spend one-fourth of their day with dynamic teachers in that art area. Art majors include instrumental band, creative writing, dance, fashion design, piano, string orchestra, theatre, visual arts, and vocal music. SOA's students excel at the local, state, and national level, earning awards, scholarships, and the respect of audience members, peers, and patrons of the arts.

Students also participate in an appropriately challenging academic curriculum that includes college preparatory, honors, Advanced Placement and Dual Credit courses. Clubs, community service, and unique school events tailored to meet the interests of young artists, provide additional opportunities for expression and involvement. We want our students to maximize their potential and then find out how their art can impact the world around them. At SOA we believe art makes a difference!
