Priorities:

While there is **no application process** for the College of Charleston Scholars Academy, certain criteria will be considered when selecting District 10 and District 20 8th-grade students for enrollment. This will ensure students are adequately prepared for the rigorous learning opportunity. In addition to course grades and prior course enrollments, assessment data and teacher recommendations will also be considered.

Eligible students living in D10 and D20 who are interested in the Scholars Academy should apply through the School Choice application process.

Several virtual information sessions for interested families will be offered. Links will be posted to both schools' websites.
