Parler's Ponderings:

My random thoughts for the week:

1. If you like a good holiday parade then head out to Folly Beach early on Saturday, December 11 and cheer for our 8th grade band and they march in the parade. The parade begins at 12:00, noon and the roads will close prior to that time.
2. Please note the change for dismissal on **Friday, December 17**, for the half-day. It was previously published that dismissal would be 11:45 AM but it is now **11:30 AM**. We will serve breakfast but NOT lunch.

Have a great week and stay healthy.

8TH GRADE NEWS FROM THE GUIDANCE OFFICE

PSAT/NMSQT scores will be available to students beginning Monday, December 6. Score reports for PSAT-related assessments are now exclusively online. With online reporting, students are seamlessly connected to other College Board opportunities, Official SAT® Practice on Khan Academy®, and college readiness resources. You can also access [videos](#) to help interpret your score reports.

To access your score report and these resources you will need to create a [College Board account](#) for your child. Students who don't see their scores after they log in may need to enter an access code. You can contact Mrs. Engle at paula_engle@charleston.k12.sc.us or Mrs. Ciucci at erica_ciucci@charleston.k12.sc.us for your access code.

PTO UPDATES FOR THE WEEK

Thank you parents and students for your support at the November 16, CRMS Spirit Night at Bohemian Bull Restaurant. The PTO received a \$900.00 check for the evening. What exciting news.

December Spirit Night, California Tortilla:

Schedule for Wednesday, December 15. Look for more information soon.

The school and the PTO have teamed with *Lowcounty Textile Recycling, LLC*, to place the clothes bin at the exit of our campus. The goal is to keep clothing and textiles out of the landfills. In return the PTO will receive \$0.07 cents for every pound of textiles collected. The items are repurposed, recycled, or reused and kept out of the landfills.

DOES ANY OF THIS LOOK FAMILIAR?

These are the water bottles, lunch boxes, and clothing items with no names on them that were in the lost and found as of Friday, December 3. It does look like some students have picked up their clothing items at least! Any items remaining after Thursday, December 16, will be donated to charity.

MIDDLE SCHOOL SPRING SPORTS

Here is the information middle schools received from the City of Charleston Department of Recreation this week about middle school spring sports.

It's that time again! Time to register for Middle Sports with the City! Soccer, Softball, and Baseball! Looking forward to having all schools participate this year! I know last year, with COVID, some teams did not participate, but this year hopefully everyone will be able to participate!

Attached is the flyer for this year and the register online [registration link](#). Please spread the word to your schools and everyone! **We all know the Middle School Season can be challenging due to the fact of how soon it starts and ends. I know a lot of kids and parents are focused on basketball, baseball etc. during the month of Dec and Jan.**

That is perfectly fine, but please let those kids and parents know to still sign up for MS Sports. Regardless of what they have going on now, please sign up so the recreation department knows how many teams are participating this year. Below is the following dates:

Registration started on Nov 1st – Dec 31st

Late registration Jan 1st – 8th

Coaches' meeting Jan 11th Via Zoom

Practices can start that week after coaches' meeting Jan 11th

Games start week of Feb 7th

Season end date March 12th

Dates are subject to change to due weather

Games will primarily be played on Saturdays with some week nights mixed in. Practice locations and times will vary depending on school and coach availability. Practices will start in mid-January. Games start early February. Season should finish up by mid-March. We encourage kids to participate in 6th-8th grade sports and recreation sports as there is minimal overlap in seasons.
