## Cougar News

### Principal's Message:

Remember that tomorrow, Monday, will be an e-Learning day, with all students learning from home.

Report cards are being distributed centrally from the district office this school year. District staff found a late issue that needed to be fixed before sharing report cards. So, the revised date that report cards will be emailed to parents will be Friday, February 26.

Thank you to all of our parents for your part in supporting our new dismissal procedures that are running very smoothly. We are pleased with how much more calm it has been, and dismissal has been much safer for our walkers.

As always, if I may help facilitate communication with anyone at Camp Road, please let me know.

Have a wonderful week,  
Sharon E. Randall, Principal
