Parler's Ponderings:

My random thoughts for the week:

1. Quarter 3 progress reports will be sent home on Wednesday, February 23.
2. Congratulations to our 8th grade robotics team on their 6th place finish in the state competition this weekend.
3. Nurse D'Arcy has created a Google Form for parents to report positive COVID cases or close contacts for their students. It is under "**News from the Nurse**". We will also post this link on our home web page.

Have a great week and stay healthy.

If you've already designated us as your non-profit charity, **don't forget to shop and purchase** through Amazon Smiles for our school to benefit.

We really appreciate your continued support!

Spirit Wear Design Update:

Thank you to all who submitted spirit wear designs for our contest!

The designs were submitted to our spirit wear company's art department to turn into printable works. Mr. Brown, art teacher, has chosen 5 designs to move on to the student votes. Students should watch for a school email to vote for their 3 favorite designs.

Once the voting happens, we'll reveal the top 3 and the artists who created them!

CAMP ROAD MS ROBOTICS

Camp Road Robotics had an amazing performance at the First Lego League State Championship on Saturday. Our 8th grade team, RoBOB the Builder, outperformed our wildest expectations and placed 6th in the state for the robotics competition.

The team did an outstanding job with their research project and improved their robotics score by 30% from last week's qualifier. While everyone could not be at this event, the entire team worked well together all season to lead up to this accomplishment.

Black History Month projects from Mrs. Billings' class on display from the media center window for our community to see.
