**Parent Liaison/ Student Support Concern Specialist**

**I am thrilled to be a part of the Memminger family. I joined the Memminger family in November 2020. As your Parent Liaison, it is my goal to foster a strong and united partnership with parents to increase parental involvement through the many opportunities we have at Memminger. Parents your involvement in the PTO, School Improvement Council (SIC), volunteering, and communicating with the teachers utilizing our communication platform will provide you with a wealth of information about our school and your children's educational progress and success. At Memminger, we love what we do! Teaching your children; providing the best environment and resources to help them thrive, and support our parents by being a beacon of support. We want you with us!
