

BRING YOUR “A” GAME

In addition to the CCSD Student Code of Conduct, the LGBHS Student Handbook, and the WHS Student Handbook, it is the goal of the ECCAS to embody the following qualities throughout our outstanding programs.

* **A**TTENDANCE:

- ◆ *Regular attendance is fundamental to reliability and success! Absenteeism creates distrust and can cost employees their job.*

* **A**PPEARANCE:

- ◆ *Appearance matters! Employers, customers, peers, etc. form first impressions on a person's appearance.*

* **A**TTITUDE:

- ◆ *A positive attitude leads to greater happiness, fulfillment, and productivity!*

* **A**MBITION:

- ◆ *Students who show initiative can improve the way they work and the impact they have on others!*

* **A**CCEPTANCE:

- ◆ *Acceptance is an active process that must be practiced! It can require effort at times.*
- ◆ *Remember the EXCEL model: Engage, X-plore, Communicate, Empower, and Launch.*

* **A**CCOUNTABILITY:

- ◆ *You have to give someone else permission to ruin your day - don't do it!*

* **A**PPRECIATION:

- ◆ *The way you express your appreciation for your work, your employees, and your students helps to develop a sense of gratitude in your school!*
