June 25, 2021

Dear Parents of Junior Students,

We will begin the process for junior students who wish to drive to school and park on campus for the 2021-2022 school year on Monday, July 19 - 23, 2021. **Please understand all plans and processes may change at any time. Should changes occur, notification will be sent out immediately.** All information in this letter should be read carefully. Make sure that all forms are completed prior to arriving to campus for senior fee payment and schedule pick-up dates.

Wednesday, July 28	Juniors	A - G	12:30 p.m.	-	4:30 p.m.
Thursday, July 29	Juniors	H - O	8:00 a.m.	-	12:00 p.m.
	Juniors	P - Z	12:30 p.m.	-	4:30 p.m.

The cost for parking is \$50. This cost may be paid online beginning July 6 or in person at fee payment and schedule pick-up dates for seniors. Please note the following:

- Paying online **DOES NOT** guarantee that a student will obtain permission to park on campus. This is merely a convenience to eliminate or reduce the time spent in line during fee payment and schedule pick-up times. If you pay online, you **MUST** bring a copy of the receipt or have evidence of payment to fee payment and schedule pick-up day.
- Parents may not obtain permission to park on campus and parking stickers for their child. Students must be present in order to be approved to park on campus.
- Parking on campus will be closely tied to student conduct, attendance and tardies. Any student with excessive absences, tardies, and/or misconduct of any kind may lose parking privileges at the direction of an administrator at any time.
- There are no refunds for loss of parking privileges.
- With the limited number of parking spaces on campus, please do not ask us to make exceptions to any rules, regulations, policies or loss of parking privileges.
- The online registration form must be completed **prior** to paying the parking fee.

In order to have the opportunity to apply for a parking permit, the following criteria must be met by all senior students:

- The student must have no outstanding debts, textbooks, calculators or other supplies and resources not returned to the school from previous years. Payments for outstanding debts may be paid online or in the front office of the Main Building beginning July 5.
- **Proof of successful completion of the Alive at 25 course.** Completion of the course is required one time.

- The student must bring his or her valid driver's license. No permits will be accepted of any kind.
- The student **must bring current vehicle registration** for the vehicle he or she will be registering. Expired registrations will not be accepted.
- **A picture of the driver's license or registration WILL NOT be accepted.**
- The student must complete, print, sign, and bring with him or her the Wando High School Parking Regulations, found on the website, in order to be considered for parking.
- The student must have the vehicle with him or her that he or she will be driving to school in order for parking stickers to be placed on the vehicle by school personnel if parking is approved.

There are no exceptions to these requirements.

Please be reminded once again, paying online does not guarantee receiving permission to park on campus. It is merely a payment convenience.

Questions regarding parking may be directed to Kirill Misyuchenko, Campus Security Manager, at 843-881-8272 or kirill_misyuchenko@charleston.k12.sc.us beginning July 12, 2021.

Thank you for your cooperation with our campus parking policy and regulations.

Sincerely,

A handwritten signature in cursive script, reading "Sherry M. Eppelsheimer".
