Dear Bengal Families,

I hope everyone is having a wonderful summer and taking the time to relax and reconnect. I know getting this letter will be bittersweet as no one is ready for the summer to end, but the excitement of starting a new school year is always fun!

Some of this information is the same that we shared back in June but lots has been added, so be sure to check out the links below, note dates on your calendar, and get everything in order so your student can have a smooth start to the year.

Summer Update 2

Our **Back to Beckham** days will be the first week of August.

Check out this [Back to Beckham 101](#) guide for more information about this event. Much of this can be done prior to your assigned day and the more you have completed in advance the faster the process will be for you. Please park behind the school and enter through the gym lobby doors.

Please note in the Back to Beckham 101 flyer that Station 2 is Residency Verification. You will NOT be allowed to move to other stations including schedule pick up until you have completed Residency Verification with Ms. Nicely. She has a record of everyone that has already completed this process for the 2021-2022 school year.

- *If you have students in multiple grades, you may come once on the oldest student's day if needed or you are welcome to come on multiple days.*
