Logging Reading for Summer Reading 2023

- *remember that any minutes students log in CCSD also count toward CCPL Summer Reading after students are registered for summer reading*
- *Even if students don't switch to CCPL, all minutes logged are counted for both CCSD *and* CCPL and will go toward Summer Reading prizes*
- *students must switch to CCPL to participate in any of the Summer Reading Activities.*

With Clever: either the website or free app (Apple only), log in with the same Clever login used during the school year and then click on Beanstack and log minutes. Use the switch icon in the top right to go to CCPL to log activities. Minutes logged on either site count for Summer Reading. [Video using Clever on computer](#) [Video using app](#)

With the Beanstack App: the app will show only CCSD (there is not an option to switch to CCPL), but any minutes logged in the app DO count toward CCPL Summer Reading if the account is connected to CCPL. [Video using app](#)
