

Application to Provide Services to CCSD

The American Rescue Plan (ARP) Act of 2021 authorized the Elementary and Secondary School Emergency Relief (ESSER) Fund to provide substantial relief to students and educators who have been profoundly affected by COVID-19.

From the ESSER Fund, the US Department of Education (US ED) issued \$2,112,051,487 to the South Carolina Department of Education (SCDE) to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the COVID-19 pandemic. These funds will enable the SCDE and school districts to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities that have been exacerbated by the pandemic.

CCSD will receive \$163,231,134 through September 2024 for activities under ESSER III. Surveys and stakeholder outreach indicated that the top 6 priorities for activities should address:

1. Needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care
2. Learning loss
3. Summer learning and afterschool programs
4. Mental health services and support for students
5. Educational technology for students
6. Improve indoor air quality in schools

High quality, evidence based activities provided to the school district by established Community-Based Organizations (CBOs) is both an allowable and recommended use of these funds. CCSD intends to contract with CBOs to support students in our school district. Interested CBOs may submit a proposal detailing services they propose to provide to CCSD. Proposals should a) reflect a detailed funding request, b) exclusively support CCSD students and their families, c) address priority #1 above and at least of one the other top 6 priorities, d) identify measures of success and, e) reflect a strategy of enduring impact beyond the term of the ESSER III program.

The deadline for proposal submission is October 11, 2021. If you have any questions or concerns regarding this form, please contact us at partnerships@charleston.k12.sc.us.

Program Information

Please describe how you offer the program/service to students.

Vision: State your intended outcome of the partnership for the future

CORE4SUCCESS' vision is to support adolescent males ages 11-19 during their critical teenage years, as they transition from boyhood into manhood. We will do this by providing communities of caring mentors and role models who listen, accept, encourage, and support teenage boys on their journey to become good men.

Mission: Describe what you'll do and who you do it for under this partnership

Our mission is to empower adolescent males by providing the necessary tools and skills to become valuable contributors to society through promoting physical and mental health awareness, emphasizing financial literacy, and fostering leadership development.

Impact: Briefly describe the intended impact your plans for this partnership in meeting the academic, social, emotional, and mental health needs of students who have been most severely impacted by the pandemic in the Charleston County School District.

CORE4SUCCESS intends to connect with young men ages 11-19 (5th through 12th grade) through ecological support which starts with the community and culture first, the neighborhood, the school, peers, family and then the child himself. We will do this by increasing contact through collaboration between home and school. The young men will be mentored on a 1-to-1 basis as well as in a group setting where they will learn leadership development and skills . CORE4SUCCESS will also offer tutoring services and homework assistance. CORE4SUCCESS will offer professional counseling sessions as needed with a board certified licensed professional counselor. We will offer assistance with peer relations and effective coping skills, conflict resolution, behavior modification and emotional support.

0

Who is your main point-of-contact at CCSD?

Please indicate the name and department/school of your existing contact.

Steve Hamer

Program Need

What specific student need(s) does this program/service address?

Academics, mental health, physical health, leadership development and financial literacy.

How was the need(s) identified?

Based on the lack of resources available to young men in at risk communities along with my experience and professional background, I saw the need for this program in our schools, homes and communities for everyone to work together to promote positive outcome goals.

Program Impact

Student Impact

What is the impact of your program based on data?

- An independent evaluation (research study) has found our program to have a STRONG impact
- Our organization's data has found our program to have a STRONG impact
- Our organization's data has found our program to have a MODERATE impact
- Our organization does not have data to determine impact

Other:

Based on a future relationship/partnership with CCSD, we will have data within 6 months of implementation of this program.

How will you measure the success of your proposal if implemented?

We will measure success by conducting initial assessments, case notes and weekly summaries, program retention rate, the engagement and motivation, behavioral changes and generalization every 6th and 12 month.

If you would like to share recent outcomes data, please upload a very brief executive summary.
