

Application to Provide Services to CCSD

The American Rescue Plan (ARP) Act of 2021 authorized the Elementary and Secondary School Emergency Relief (ESSER) Fund to provide substantial relief to students and educators who have been profoundly affected by COVID-19.

From the ESSER Fund, the US Department of Education (US ED) issued \$2,112,051,487 to the South Carolina Department of Education (SCDE) to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the COVID-19 pandemic. These funds will enable the SCDE and school districts to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities that have been exacerbated by the pandemic.

CCSD will receive \$163,231,134 through September 2024 for activities under ESSER III. Surveys and stakeholder outreach indicated that the top 6 priorities for activities should address:

1. Needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care
2. Learning loss
3. Summer learning and afterschool programs
4. Mental health services and support for students
5. Educational technology for students
6. Improve indoor air quality in schools

High quality, evidence based activities provided to the school district by established Community-Based Organizations (CBOs) is both an allowable and recommended use of these funds. CCSD intends to contract with CBOs to support students in our school district. Interested CBOs may submit a proposal detailing services they propose to provide to CCSD. Proposals should a) reflect a detailed funding request, b) exclusively support CCSD students and their families, c) address priority #1 above and at least of one the other top 6 priorities, d) identify measures of success and, e) reflect a strategy of enduring impact beyond the term of the ESSER III program.

The deadline for proposal submission is October 11, 2021. If you have any questions or concerns regarding this form, please contact us at partnerships@charleston.k12.sc.us.

Program Information

Please describe how you offer the program/service to students.

Vision: State your intended outcome of the partnership for the future

To be a part of a "driving force" in generating change in the lives of young African--American males.

Mission: Describe what you'll do and who you do it for under this partnership

Have a positive impact on African males 4th and 5th grade at Julian Mitchell Elementary in the areas of social, academic, and mental well being

Impact: Briefly describe the intended impact your plans for this partnership in meeting the academic, social, emotional, and mental health needs of students who have been most severely impacted by the pandemic in the Charleston County School District.

As previously done, there will be bi-weekly meeting with 4th and 5th grade boys. The emphasis would be on academic improvement, improving social skill, conflict resolution skills, anger management, etc. This would be done via group conversations, 1:1, videos, guess speakers, etc. During the Summer several students would have the opportunity to attend a Summer camp where they would meet other young men from S.C. and N.C. addressing the same topics mentioned above as well as others.
