

Application to Provide Services to CCSD

The American Rescue Plan (ARP) Act of 2021 authorized the Elementary and Secondary School Emergency Relief (ESSER) Fund to provide substantial relief to students and educators who have been profoundly affected by COVID-19.

From the ESSER Fund, the US Department of Education (US ED) issued \$2,112,051,487 to the South Carolina Department of Education (SCDE) to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the COVID-19 pandemic. These funds will enable the SCDE and school districts to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities that have been exacerbated by the pandemic.

CCSD will receive \$163,231,134 through September 2024 for activities under ESSER III. Surveys and stakeholder outreach indicated that the top 6 priorities for activities should address:

1. Needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care
2. Learning loss
3. Summer learning and afterschool programs
4. Mental health services and support for students
5. Educational technology for students
6. Improve indoor air quality in schools

High quality, evidence based activities provided to the school district by established Community-Based Organizations (CBOs) is both an allowable and recommended use of these funds. CCSD intends to contract with CBOs to support students in our school district. Interested CBOs may submit a proposal detailing services they propose to provide to CCSD. Proposals should a) reflect a detailed funding request, b) exclusively support CCSD students and their families, c) address priority #1 above and at least of one the other top 6 priorities, d) identify measures of success and, e) reflect a strategy of enduring impact beyond the term of the ESSER III program.

The deadline for proposal submission is October 11, 2021. If you have any questions or concerns regarding this form, please contact us at partnerships@charleston.k12.sc.us.

Program Information

Please describe how you offer the program/service to students.

Vision: State your intended outcome of the partnership for the future

Our intended outcome is to partner with CCSD to provide dance education to all students in a safe and welcoming environment while cultivating relationships.

Mission: Describe what you'll do and who you do it for under this partnership

DancED is an organization that offers DANCE EDUCATION to schools and their students during their regular school day, after-school/extended day programs and summer camps, teaching kids that may not otherwise ever have the opportunity to explore DANCE and all it has to offer! Adding DANCE to a child's education improves their Confidence, Problem-Solving Abilities, Collaborative Skills, Physical Health, and so much more! We teach all styles of DANCE- hip-hop, tap, modern, improvisation, jazz and ballet through interactive games and activities. Together let's enrich Education through Dance!

Impact: Briefly describe the intended impact your plans for this partnership in meeting the academic, social, emotional, and mental health needs of students who have been most severely impacted by the pandemic in the Charleston County School District.

By providing dance education during their after-school programs, DancED will help support students severely impacted with an opportunity to learn dance (when they otherwise may never have a chance to do so), tap into their capabilities, create healthy relationships and connect dance to math! Dance also gives the students a goal to strive for and be proud of.

What CCSD resources (e.g., transportation, facility use, point-of-contact at school) would it take to implement the program?

Please be as specific as possible.

We need a classroom/space that is able to be cleared for students to have room to move around in. We would also need a point-of-contact at the school to help coordinate the days/time our program would be offered and what students will be participating. And lastly, we would ask for another adult (camp counselor/staff member) provided by the school to be in the room as well to help handle any discipline issues.
