

Application to Provide Services to CCSD

The American Rescue Plan (ARP) Act of 2021 authorized the Elementary and Secondary School Emergency Relief (ESSER) Fund to provide substantial relief to students and educators who have been profoundly affected by COVID-19.

From the ESSER Fund, the US Department of Education (US ED) issued \$2,112,051,487 to the South Carolina Department of Education (SCDE) to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the COVID-19 pandemic. These funds will enable the SCDE and school districts to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities that have been exacerbated by the pandemic.

CCSD will receive \$163,231,134 through September 2024 for activities under ESSER III. Surveys and stakeholder outreach indicated that the top 6 priorities for activities should address:

1. Needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care
2. Learning loss
3. Summer learning and afterschool programs
4. Mental health services and support for students
5. Educational technology for students
6. Improve indoor air quality in schools

High quality, evidence based activities provided to the school district by established Community-Based Organizations (CBOs) is both an allowable and recommended use of these funds. CCSD intends to contract with CBOs to support students in our school district. Interested CBOs may submit a proposal detailing services they propose to provide to CCSD. Proposals should a) reflect a detailed funding request, b) exclusively support CCSD students and their families, c) address priority #1 above and at least of one the other top 6 priorities, d) identify measures of success and, e) reflect a strategy of enduring impact beyond the term of the ESSER III program.

The deadline for proposal submission is October 11, 2021. If you have any questions or concerns regarding this form, please contact us at partnerships@charleston.k12.sc.us.

Program Information

Please describe how you offer the program/service to students.

Vision: State your intended outcome of the partnership for the future

Empowering our youth with the skills and resources to build a better tomorrow.

Mission: Describe what you'll do and who you do it for under this partnership

DEEP SC aims to equip South Carolina youth with the resources necessary to lead successful, fruitful lives through development, empowerment, and education of our people. DEEP SC will do this through five main initiatives: Education and College Readiness, Financial Literacy, Job Training, health and wellness and social emotional learning/mental health.

Impact: Briefly describe the intended impact your plans for this partnership in meeting the academic, social, emotional, and mental health needs of students who have been most severely impacted by the pandemic in the Charleston County School District.

DEEP SC programs will impact students and families in the following ways: Meeting basic needs -- access to resources such as employment, food, and housing; improving student grades; increase in graduation rates, college applications, and career readiness. Students and families will receive social emotional learning instruction as well as access to mental health services.

As trauma informed professionals, we understand that it is imperative to address the social, emotional, and mental health needs of all people in conjunction with academic instruction and career training to equip them with the skills necessary for a better future.

Students will have access to a CDC Covid-19 guideline compliant environment where they are safe, and their needs are met. This includes a safe, socially distanced environment with wi-fi access and a daily meal. Scholars will complete their time with DEEP SC by attaining a high school diploma or GED, having successfully completed at least one college admissions test and/or acquiring at least one certification for employment.

Other:

With over 20 years' experience in programs like DEEP SC we have effective strategies for engaging communities to positively impact their success

How will you measure the success of your proposal if implemented?

Students will be administered pre and post assessments to determine their improvement and acquisition of common core educational standards. Success is also measured by student outcomes such as high school graduation, completion of college application, college acceptance, and life skill acquisitions such as open savings and checking accounts, understanding, and utilizing credit and learning how to invest.

Student's acquisition of SEL skills and mental health will be measured based on surveys and individual interviews as well as data on school behavior including referrals and suspensions.

If you would like to share recent outcomes data, please upload a very brief executive summary.

Additional Comments

Is there anything else that you'd like to share?

DEEP-SC is rooted in providing a safe and nurturing environment for our scholars to thrive. We will engage these scholars through a combination of workshops and school wide events; small groups for college preparation, tutoring, and SEL instruction; group and 1-on-1 GED/ SAT/ACT preparation; and small group and 1-on-1 job training workshops.

DEEP SC engages the community at large via community events that meet the needs of students and families such as food drives, job fairs, health fairs, and cultural events.

Thank you for completing the CCSD ESSER III Program Partner Application. Your responses will be reviewed and you will be contacted if the team has questions or would like more information.

If you have any questions, please email partnerships@charleston.k12.sc.us or call (843) 937-6303. Thank you!
