

Application to Provide Services to CCSD

The American Rescue Plan (ARP) Act of 2021 authorized the Elementary and Secondary School Emergency Relief (ESSER) Fund to provide substantial relief to students and educators who have been profoundly affected by COVID-19.

From the ESSER Fund, the US Department of Education (US ED) issued \$2,112,051,487 to the South Carolina Department of Education (SCDE) to support schools in safely reopening and sustaining safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the COVID-19 pandemic. These funds will enable the SCDE and school districts to support students who have been most severely impacted by the COVID-19 pandemic and are likely to have suffered the most because of longstanding inequities in our communities that have been exacerbated by the pandemic.

CCSD will receive \$163,231,134 through September 2024 for activities under ESSER III. Surveys and stakeholder outreach indicated that the top 6 priorities for activities should address:

1. Needs of low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care
2. Learning loss
3. Summer learning and afterschool programs
4. Mental health services and support for students
5. Educational technology for students
6. Improve indoor air quality in schools

High quality, evidence based activities provided to the school district by established Community-Based Organizations (CBOs) is both an allowable and recommended use of these funds. CCSD intends to contract with CBOs to support students in our school district. Interested CBOs may submit a proposal detailing services they propose to provide to CCSD. Proposals should a) reflect a detailed funding request, b) exclusively support CCSD students and their families, c) address priority #1 above and at least of one the other top 6 priorities, d) identify measures of success and, e) reflect a strategy of enduring impact beyond the term of the ESSER III program.

The deadline for proposal submission is October 11, 2021. If you have any questions or concerns regarding this form, please contact us at partnerships@charleston.k12.sc.us.

Program Information

Please describe how you offer the program/service to students.

Vision: State your intended outcome of the partnership for the future

M.A.D. USA (Men Against Domestic Violence), Inc. is a statewide non-profit organization dedicated to reducing domestic violence across the United States.

M.A.D. USA is working to create and support the social change necessary to prevent all forms of domestic violence. Our vision is that the voices of men will strengthen responses generating a proactive approach regarding domestic violence.

Our mission will be achieved through education, activism, training, prevention, leadership growth, legislative development and advocacy and expansion throughout the USA.

Mission: Describe what you'll do and who you do it for under this partnership

Our mission is to end all forms of interpersonal violence while promoting peace in our homes, schools, and communities. We seek to reduce the impact of domestic violence on women, men, children, and future generations by providing proactive strategies that intervene in the cycle of abuse and violence.

Impact: Briefly describe the intended impact your plans for this partnership in meeting the academic, social, emotional, and mental health needs of students who have been most severely impacted by the pandemic in the Charleston County School District.

The impact of partnering with Charleston County School District is to bring awareness to healthy relationships and domestic violence. Especially since during the pandemic so many families were together, and the cases of domestic violence grew considerably during the time. It is our goal to educate the elementary school students about anti-bullying; we want to teach the middle and high school students about teen dating violence and healthy relationships.

Program Need

What specific student need(s) does this program/service address?

Our program addresses the needs of healthy relationships, anti-bullying, and teen dating violence awareness.

How was the need(s) identified?

We identified the needs by talking with teachers and students about bullying and teen dating violence.

Program Impact

Student Impact

What is the impact of your program based on data?

- An independent evaluation (research study) has found our program to have a STRONG impact
- Our organization's data has found our program to have a STRONG impact
- Our organization's data has found our program to have a MODERATE impact
- Our organization does not have data to determine impact
- Other:

How will you measure the success of your proposal if implemented?

We will measure the success by having each student take a pre and a post survey to evaluate their understanding of bullying, teen dating violence, domestic violence, and healthy relationships. This will give us a before and after measuring tool to see what they know and have learned. It will also guide us to know if we need to adjust our lesson plans for the students.

If you would like to share recent outcomes data, please upload a very brief executive summary.
