Arrival and Dismissal Information

Your child's attendance is critical to their success in school! Please ensure your students arrive on time! Students may begin arriving at 7:50 and the late bell rings at 8:30 a.m. This year students will have the opportunity to eat breakfast in the Cafeteria! Please remind them to stop in the cafeteria first before going to class if they would like breakfast!

Please do not pick your students up early unless you have an appointment! Students will not be released after 2:45 PM. When picking up students early, children miss valuable learning opportunities!

If your child is a car rider, please remember to display your car sign daily! This will help speed up our afternoon dismissal process!
